Year 12 Students Commence HSC Exams

Welcome back to term 4, an important learning time for all students. Year 11 has now moved into HSC learning and all students need to organise their diaries and calendars for the timelines issued last week in their assessment booklets.

This week, the formal HSC exams commence and best wishes to all students from the school staff and students. Thank you to the P&C for providing snack packs to encourage Year 12 students to remain focussed.

Emma Hall Performs in Mathematics Competition

Student performances in the Mathematics competition were formally acknowledged at last week's assembly, with students being presented with participation certificates, plus those who achieved a "credit" certificate.
