Issue 37 Term 4 Week 8A

Wednesday 2 December 2020

Twist Week

Next week students will engage in all types of learning with a 'twist' within their classes. Some surprises are on the way for students to celebrate coming out of the toughest year on record — does anyone like donuts??? The week will culminate in weird and wacky games run by the SRC on Friday, where they can dress up in house colours as they battle robots, face off on memory puzzles, demonstrate their stamina, engage in intellectual challenges and more! May the best house win!

Diary Dates

7-11 Dec: 'TWIST' Week

14 Dec: PBL Reward Excursion Yr 9 & 10

15 Dec: Presentation Day—Live Stream

16 Dec: PBL Reward Excursion Yr 7 & 8

16 Dec: Last school day Term 4, 2020

5 Feb: Years 7, 11 & 12 Return to School

8 Feb: Years 8, 9 & 10 Return to School

Regional Cricket finals here we come!

Congratulations to both the U14's and Open Girls Cricket teams on their progression after convincing wins this week against Coonabarabran High School. For the full Cricket reports see our facebook page or next weeks Gwydir Newspaper.

Every family gets a Christmas Hamper!

Generously donated by Foodbank Australia, Anglicare Moree, Vinnies, CWA Warialda Branch and Red Cross are hampers with Christmas goodies and everyday pantry supplies. Families are welcome to collect their Christmas goodies on Friday December 11th and Monday 14th. See future posts and text messages for details for collection as the hampers are so full, they are too heavy for students to bring home!

Cooler Schools

With temperatures predicted to reach a scorching 45 degrees, we are so glad the 'Cooler Schools' installation has been completed. Now each classroom has their own cooling system which sits at a comfortable 24 degrees. Meet the team behind the project, Bronson Marchant and Cordelle Dunnicliff. Both boys are ex-students of Warialda High School, Bronson finished in 2016 and Cordelle in 2018. No doubt there were times they thought they were too cool for school but they have been back working in their old stomping ground on this project for over 3 months, cooling generations to come. Thanks to the Laser Electrical team for our climate controlled comfort and the NSW Government for funding this project across the state.

Thank you for liking and sharing our Facebook page, where you will find exciting things happening in and around our school. <https://www.facebook.com/WarialdaHighSchool/>
