Issue 8 Term 4 Week A

Wednesday 4th December 2019

## Drought Donations

The Canterbury Boys High School Principal, Mr Ross Dummet and his family, delivered 100 book packs, donated by his community, to our students last Friday. His networking has also seen the local Canterbury Hurstone Park RSL donate \$5000 for us to distribute as vouchers to students for local use in these trying times. This means every student will come home with vouchers before years end if they choose to. We cannot thank Ross Dummet and his incredibly generous community enough. It was a tearful morning for all of us! Before heading back to the city, Ross met a few of the local store owners who the vouchers will help. His words to each business were "I want you to know you are not alone". Thank you, thank you, Canterbury Boys High!

## Cricket

Last Friday 3 Super 8's teams travelled to Inverell to play in a round robin against teams including Macintyre, Tenterfield, Ashford and Inverell.

They had a GREAT day ... Year 9/10 boys (pictured) and Year 9/10 girls

(pictured) won all games played. Year 7 & 8 boys won 2 out of their 3 games. It was a big job to umpire and score, but that's what we had to do!!! Every player made a great contribution throughout the day.

## Courage to Care

56 students from years 8-11 attended the "Courage to Care" exhibition in Moree last week. The exhibition informs and educates about the dangers of prejudice, racism and discrimination through the inspiring stories of courage displayed by people during the Holocaust. Students were encouraged to recognise the power of the individual to make a difference. Students particularly enjoyed meeting some survivors of the Holocaust and hearing their stories.
