What's Cookin'

Year 9 and 10 Food Technology

Currently students are working on a unit titled: Food for Special Needs. This week they prepared a healthy meal for teenagers. Chicken kiev pasta and salad was on the menu and they all give it the thumbs up. Make sure you ask them for the recipe or better still cook it for dinner.

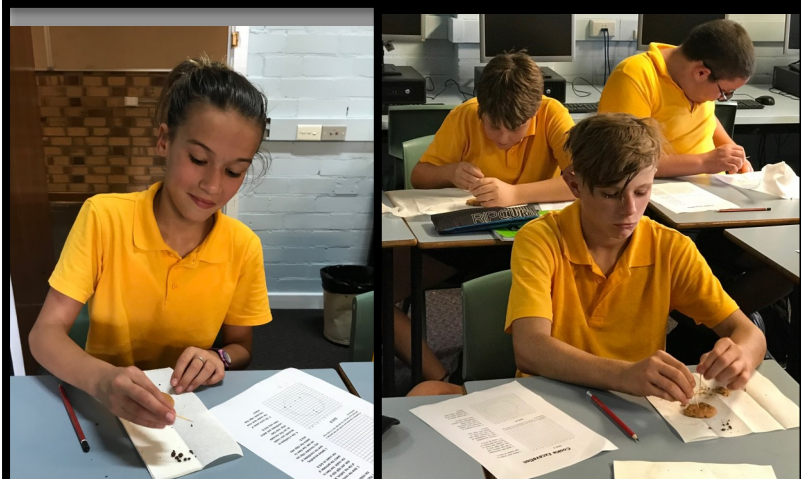

Mrs Mack | Food Technology Teacher

Year 7 History

Students are studying the roles of historian and archaeologists. Here they are simulating the delicate work of an archaeologists by excavating chocolate chips from a cookie using only toothpicks and graphing their findings.

Mrs Sue Butler | English / HSIE Teacher

HAVE YOUR CHILD'S SCHOOL MEMORIES CAPTURED FOREVER!

Please take the time to read the relevant information on the MSP Photography payment envelopes and remember these helpful points:

- ☐ Don't seal envelopes inside each other. You can pay for all children in one envelope; however, each child needs to have their own envelope on photo day.
- ☐ Family envelopes are available at the school office upon request.
- ☐ Family photos will be packed inside the eldest child's individual photo pack.
- ☐ Please enclose the correct money as no change can be given.
