Rotary Public Speaking Competition

On Monday November 1, Lucy Lockyer, Abbie Kent and Isabella McIntosh participated in the 2021 Public Speaking Competition. The topics they chose were quite diverse. Lucy spoke on the sexualisation and objectification of women, Abbie spoke on human trafficking and Bella spoke on staying positive in these challenging times. All three girls impressed the judges so much that they were unable to split them. They presented and spoke exceptionally well with great deliberation and fortitude. They now continue to the regional competition which is to be held at the Sculpture Park on November 21 against the winners of other regions.

Congratulations girls! All the best at the next level!

Be Creative

All locals have been invited to 'be creative' for the 'Be Creative Challenge'. Painting a mural on a fence, sewing sleeves for a tree, or welding a sculpture for your yard are just a few ideas to create permanent features to encourage visitors to our region. For more ideas and to see local creations already completed see our Facebook Page.

All creations are due November 21. Join celebrations from 5pm November 27 at the Warialda Recreation Ground for a free barbeque.

What if?

Should Warialda High School have a positive Covid-19 case at school, it will close for deep cleaning, which may take up to three days. Junior students will already have an envelope of work to complete should they be required to self-isolate, this is a personal interest project, while seniors have work to continue with. Let's hope this doesn't happen, but should Covid reach our school we are prepared.

FREE Tutoring

COVID tutoring is still available each Monday, Wednesday and Thursday afternoon from 3.30 to 5.00 pm. This is open to all students. Please contact the School Administration Office if you wish to arrange for you child to attend.
