This is a reflection of her dedication, hard-work and application. Well done to Liliana and we look forward to following her future Rugby experiences.

### State Swimming Success

Congratulations to Eliza Warby, who represented North-West in the 100m Breast-stroke at NSWCHS swimming trials on Thursday. Eliza won her heat in a PB time of 1m and 33.5 sec. Do we have a future Olympian in our midst?

## STEM Day

Stage 5 STEM students were teachers for the day as they led a series of activities for the small schools in our area. Primary school visitors enjoyed a number of hands on activities, from microscopes to investigating static electricity. Student quote "That was so awesome, can we do it again?".

## AECG Art Experience

Last week our AECG with Youth Worker Tracy Carlos, participated in an Indigenous Australian Art Workshop led by Brock Byers. Students enjoyed the opportunity and look forward to more in the future. Congratulations to Brock for leading this workshop and thanks to Nicola Briggs for capturing images on the day for us to share.

## PBL Colours

It takes a great deal of consistency to earn PBL points. Alan achieved yellow status and Sonny, Paige, Lachlan, Trinity, Scarlett, Kevin and Sebastian gained much sought after orange awards.

NAPLAN is next week for Years 7 and 9  
 Tuesday, Wednesday and Thursday mornings.  
 Be sure to bring a pencil, eraser, and ruler.  
 Students will need a calculator on Thursday.  
 Eat well, stay hydrated and get plenty of sleep.
