ISSUE 11 | TERM 2 | WEEK 7B
THURSDAY 9 JUNE 2022

All Schools Cup Netball Report

Warialda took four teams to Inverell for the All Schools Cup Netball last Thursday. Every team finished the day with at least one win. We all had a fantastic time and our students, as always, were a pleasure to take away. Our best performed teams were the 9/10 girls and the 9/10 boys who were undefeated. Both these teams progress to the next round in Tamworth. The 7/8 girls and boys teams improved greatly throughout the day.

MVP points were as follows: three points to Jasmine Briggs, Kayla Digby, Rowdy Laidlaw-Hodge, Os van Velthuisen and Riley Burley. Two points for Jasmine Cuell, William Furness, Caelee Green and Ryan Goater. One point for Lisa Digby, Myles Beel, Lilly Brice and Lachlan McIntosh. The students would like to thank Mrs Phillips, Mrs Bell, Lucy Lockyer, Jack Digby and Sophie Hall for umpiring all day.

Sam Pitt

Dates to remember.....

Thu 9 June - Ag Careers Expo Tamworth

Fri 10 June - Yr 7 Lingo 2 Excursion - Sawn Rocks

Tue 14 June - Yr 7 Lingo 1 Excursion - Sawn Rocks

Thur 16 June - Senior Music Workshop

Fri 17 June - Annual Athletics Carnival

Mon 20 to Fri 24 June - Senior Sydney Excursion

Mon 27 June - NRL Small Schools Country Cup

Fri 1 July - Last school day term 2

CHS Soccer

It has been a tough start in Tamworth at the soccer. Oxley are a polished outfit so our girls were working on defence and teamwork. Excellent clearing kicks into space proved a successful short term tactic. We managed to keep the scoreline to 7-0 at half time. Coaches Moxey and McIntosh pumped up the girls in the break. We were hopeful the frozen oranges would work their magic. The 2nd half strategy was to clear to space out wide and run onto the ball to build an attacking play. The half started with soggy socks and some sore ankles but they soldiered on. There were plenty of sensational saves, brutal tackles, apologies and even some glimpses of skill in attacking passages of play. Persistence pays off and the scoreline was kept to 12-0. We now play off for third or 4th position in the north west region. Well done girls!

Game 2 for WHS was a playoff for 3rd/4th in the NW that started in cold and wet conditions. The girls spent a good length of the first half attacking the Coonabarabran goal line. The team peppered the shots and Ruby slipped a sneaky shot past the solid defence. Lillee scored after a great team buildup from our goal line boot of keeper McIntosh. We had a 2-0 lead at half time then returned to the field keen to keep the momentum going (and stay warm). WHS constantly held their position in the opposition half. There were plenty of shots and great Coonabarabran saves. Pyper found the net following a strong sideline throw-in from Lacey. Then Lillee scored again. Shortly after Dakota popped one over the goal line. Our halves just kept feeding balls through. Paige found the net later in the second half too. All round, it was an awesome team win at 6-0 and great sportsmanship was displayed by both teams. Special thanks to Oxley HS for hosting and their hospitality.

Kate La Fontaine

Rolling Art

Stage 5 Visual Arts have completed their skateboard project for term 1. Students had to design their images reflecting aspects of graffiti. Year 9 students were very enthusiastic and motivated to get stuck in to this task. They used elements of design to manipulate images and text that created ownership of their boards. Well done stage 5.

Sonya Marsh

Lawn Bowls

Today Western, Jack & Angus took to the rink to take on Inverell High School in the region's Lawn Bowls competition. With a strong start to the game, the boys held the lead for the first 10 ends, though eventually succumbing to the experienced and immaculate bowling of the Inverell team. It was a nail-biting game that had spectators on the edge of their seats! Despite the loss, it was a learning experience for our players. We wish Inverell High School all the best as they progress in the competition.

Kendall Moxey

Kind donation

Thanks to Mayor John Coulton for the kind donation of top soil to our Nature Strip, allowing us to prepare our gardens for the upcoming 50th Celebration 30 July. Many thanks to Wyatt, Scott, Lachlan, Frank, Sebastian and Cody for their help loading and unloading mulch and a huge thankyou to Bill McIntosh for his consistent efforts building rock walls and making the nature strip shine.

Warialda High School
