### Open Girls Touch

Last week our Open Girls Touch team were narrowly defeated by Picnic Point High School, by a score of 2-1. It was an intense game with set plays and fast paced moves. Warialda girls played as a team, with strong defence and were able to create a number of scoring opportunities. Acknowledgement to Picnic Point for their travel commitments and we wish them luck in the next round. Although we are a small country school we played with exceptional country spirit and demonstrated top level skills. Warialda High School would also like to thank Stephen Pleffer who did a fantastic job refereeing this fast paced touch game.
